Cheque/DD to be drawn in favor of "CRB Tech Solutions Pvt. Ltd."

B. The fee does not cover the prospectus cost, cost of certifications, industrial visits, excursions, pocket money, extra subject/learning support, weekend outing/trips, transportation, workshop/seminars, extra tutorial, and medical expenses of any sort. Students understand that the fee for the examination is extra.

C. The fee is applicable for the bilingual Training Program being conducted by CRB Tech.

D. Fees paid are the charges of training only and not for the job/placement/offer letter/LOI. Job/placement call is a free service offered by CRB TECH to all the students and there is no cost involved for placements.

E.60% of the allotted syllabus should be completed to be eligible for placement support.

F.There will be no placement support for candidates who have not completed their diploma or graduation or relevant qualification.

G.The student has done the self-evaluation and found himself academically fit for this software application and internet based training program before admission.

H.That, it is the responsibility of the institute to provide only Android based software application (not ios or any other platform based) and internet based training to the student.

I.The fee payment should be made in the due time period as notified to the student.

J.The student understands and accepts that this is an advanced and professional training course and he/she confirms he/she has the basic knowledge about the domain and education for which he is taking the course.

K.It is mandatory for the student to appear for all the assessments during and after the training session.

L.CRB Tech will declare schedule for training workshops as help. Candidate agrees to apply and attend on his own.

M.Experienced candidates with relevant experience will get a chance to apply for placement support immediately.

N. Students are required to appear for interviews on the mentioned dates as informed by the placement department at any location. The student is supposed to join the organization and at any location for which he/she has been selected on the mentioned date as informed.

O. Students understand that the salary package and job location may vary; it is not in control of the institute. It is the responsibility of the student to earn a higher package by virtue of performance during the interview and excellent domain knowledge. To claim higher salary packages candidate has to submit scores and certificate details of language certification.

P. The admission stands cancelled without any refund in case of Data infringement, circulating CRB Tech printed non printed material outside. In case of sharing training patterns and modules to third parties or starting their own competitive business similar to the business model of CRB Tech or its associates. CRB Tech reserves the right to take necessary action (civil or criminal) if a student is found indulged in immoral activities.

Q. For bilingual training, a salary package between INR 3.5 Lakhs per annum and up to INR 18 lakhs per annum is assured under this program, only if the student successfully achieves the N2 level in the respective foreign language. For global opportunities they are possible only if a student achieves mid-high to high level/Band of language skills according to globally accepted ratings considering 5 as basic and 1 as highest. Students will get a Package Assurance Certificate from CRB tech after completion of fees.

R. Important Information and Instructions:

1. The management reserves the right to decline / cancel admission without any refund to any student. The decision of the management is final and binding.
2. No terms and conditions mentioned above will be waived under any circumstances whatsoever.
