Admission	Rs. 15,000/-	Secure your seat and start training
Tuition Fee	Rs. 80,000/-	Rs. 30,000 of the total amount will be funded against work assigned by clients. Work allotted will be up to 3 human hours every day till the training ends. Remaining Rs. 50,000 will be paid after joining organisation.

Cheque/DD to be drawn in favor of **“CRB Tech Solutions Pvt. Ltd.”**

B. The fee does not cover the prospectus cost, cost of certifications, industrial visits, excursions, pocket money, extra subject/learning support, weekend outing/trips, transportation, workshop/seminars, extra tutorial, and medical expenses of any sort. Students understand that the fee for examinations is extra.

C. The fee is applicable for the bilingual software application and internet based training program being conducted by CRB Tech.

D. Fees paid are the charges of software application and internet based training and not for the job/placement/Offer Letter/LOI. Job/placement call is a free service offered by CRB TECH to all the students and there is no cost involved for placements.

E. There will be no placement support for candidates who have not completed their diploma or graduation or relevant qualification.

F. The student has done the self-evaluation and found himself academically fit for this software application and internet based training program before admission.

G. The fee payment should be made in due time period as notified to student.

H. The student understands and accepts that this is an advanced and professional training course and he/she confirms he/she has the basic knowledge about the domain and education for which he is taking the course.

I. It is mandatory for the student to appear for all the assessments during and after the training session.

J. Students understand that the salary package and job location may vary; it is not in control of the institute. It is the responsibility of the student to earn a higher package by virtue of performance during the interview and excellent domain knowledge. To claim higher salary packages candidate has to submit scores and certificate details of language certification.

K. For bilingual training, a salary package between INR 3.5 Lakhs per annum and up to INR 18 lakhs per annum is assured under this program, only if the student successfully achieves the N2 level in the respective foreign language. For global opportunities they are possible only if a student achieves mid-high to high level/Band of language skills according to globally accepted ratings considering 5 as basic and 1 as highest. Students will get a Package Assurance Certificate from CRB tech after completion of fees.

L. Kindly note that there is no offering or services of CRB tech other than mentioned on the Application, Funding/Non Funding & Admission Form and Agreement.

M. Important Information and Instructions:

1. The management reserves the right to decline/cancel admission without any refund to any student without assigning any reason. The decision of the management is final and binding.
2. No terms and conditions mentioned above will be waived under any circumstances whatsoever.
